Department Of Electronics & Telecommunication Invited talk on “Embedded Systems”

Date: 29/07/2017

The talk on “**Embedded Systems**” was arranged on 29.07.2017 under the banner of ETELSA and R&D. The resource person for the same was **Mrs. Neelima Iyer** who is currently working as Head, Instrumentation department at National Chemical Laboratories, Pune.

Neelima Iyer, her students who came all the way from SSGMCOE, Shegaon and everyone present for the talk.

She started the lecture with what is embedded system? Why to use embedded systems and some examples of Embedded systems in our daily use. She continued with microprocessor Z80 and its specifications, Controller 8051, IO and memory mapping. Students from SSGMCOE along with madam showed various boards and projects done by them.

Ms. Jahnvi Pujari from TE (E&TC) expressed vote of thanks to Mrs.
