

REPORT ON Guest Lecture on “Data Structure”

Held at SKN SINHGAD College of Engineering, Korti, Pandharpur on 15th September, 2017

Staff Coordinator: Mr. A. O. Mulani
Dates: 15/09/2017
Venue: E&TC Dept.
Class: SE, TE
No. of Participants (Students): 65
Organizer: IETE ISF

With full enthusiasm on the occasion of Engineers Day, a guest lecture is organized under the banner of IETE Student Forum, Sinhgad College Of Engineering, Korti, Pandharpur on 15th September, 2017. The function was presided over by Prof. A. O. Mulani.

The purpose of ISF is to give a platform for the student members to exchange ideas by organizing/participating technical programs and activities. They would get the benefit for technical visits / practical training / project work in R&D laboratories/ industries that increases their spirit of self-reliance and professionalism.

The function was started with felicitation of the expert Prof. R. A. Jamadar, Assistant Professor, IT Dept of AISSMs IoIT, Pune. He started with the study of programming language and its use in IT Industries. He caught the students attention on some new programming languages used in IT Industries like SCALA, HADOOP etc. The session was very interactive and energetic. Students responded to the program to a great extent.

Ms. Aishwarya Badve, student member of ISF expressed her views about the program.

The function was concluded with vote of thanks by Ms. Mona Jagtap and lot of promises and hope for future.
