

REPORT ON Five Days Workshop on “Component Identification and Soldering Techniques”

Held at SKN SINHGAD College of Engineering, Korti, Pandharpur
in August and September, 2017

Staff Coordinator: Mrs. A. C. Pise
Student Coordinator: Ms. Rutuja Malwadkar
Dates: 27/08/2017, 02/09/2017, 03/09/2017, 09/09/2017, 10/09/2017
Venue: Navrange Balakashram, Pandharpur

A Five Days Workshop on “Component Identification and Soldering Techniques”, was organized under IETE Student Forum by Sinhgad College of Engineering, Korti, Pandharpur in August and September, 2017. The function was presided over by Prof. A. C. Pise.

The workshop is organized for the students of 9th and 10th class in an Anath Ashram named “Navrange Balakashram”. The purpose of the workshop is that, these students will get the knowledge of electronic components and soldering techniques, so that if they like to work, can get a job in any electronic company in future. The students are trained by hands on practice of soldering. Certificates are provided to the students as well.

The function was concluded with vote of thanks by Ms. Divekar Sharvari and lot of promises and hope for future.
