

**DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION**  
**“One Day Workshop on Arduino Microcontroller Programming”**

**Date- 12<sup>th</sup> August, 2016**

With full enthusiasm a one day workshop of IETE Student Forum was organized by Sinhgad College of Engineering, Korti, Pandharpur on 12<sup>th</sup> August, 2016. The function was presided over by Prof. A. B. Jagdale.

The purpose of ISF is to give a platform for the student members to exchange ideas by organizing/participating technical programs and activities. They would get the benefit for technical visits / practical training / project work in R&D laboratories/ industries that increases their spirit of self-reliance and professionalism.

The function was started with felicitation of Guest Mr. Dheeraj Muttin, followed by a technical lecture on Arduino Microcontroller Programming. Mr. Muttin. appreciated students for their keen involvement in such a most excellent workshop under IETE-ISF. He also emphasized on benefits of students participation in such event to develop technical knowledge.

Ms. Mahesh Patil, student chairman of ISF expressed his views about the program.

Dr. K. J. Karande, Principal, SKNSCOE encouraged students for participation in such technical events and also to increase the student membership in professional bodies. He also encouraged students for broader vision in acquiring the technical knowledge.

The function was concluded with vote of thanks by Ms. Aishwarya Kulkarni and lot of promises and hope for future.
