

"Teachers Day" Celebration

Date: 07/09/2016

In Department of Mechanical Engineering, Teachers Day was celebrated on 07/09/2016. On this occasion Hon. Mangaltai Shaha (Founder of 'PALVI') was present as Chief Guest. Welcome and Felicitation of guest by Hon. Prof. R.T. Vyavahare, HOD Mechanical.

After our traditional lamp lightening ceremony, T.E. Mechanical students tributes their teachers and express their views about Dr. Sarvepalli Radhakrishnan.

Chief guest Hon. Mangaltai Shaha said that this celebration was organised to show appreciation to the teachers for their contributions to society and to enhance the special bond that teachers and students share, which are key components in making better future life.

Also Prof. R.T. Vyavahare shares his thoughts on how to enhance bond between student and teachers and contribution of teachers in their life. Prof. B. S. Gandhare motivated young and bright students

towards teaching as noble profession and country's future is moulded by teachers.

And motivated teachers to become subject experts and have lions share in making student successful. Prof.A.W. Kale MESA coordinator and Prof.N.L.Phule are present on stage.

On this occasion, all the teaching staffs and students were present. This event was organised by and T.E. mechanical students under the guidance of Prof. M.D. Tamboli.
