**DEPARTMENT OF CIVIL ENGINEERING**

Interaction Session on “Applications of Auto-CADD in Civil Engineering”

**Date- 27<sup>th</sup> July, 2016**

With full enthusiasm a Departmental Students' Association “CESA” of has organized an Interactive Session on “Applications of Auto-CADD in Civil Engineering” on 27<sup>th</sup> July, 2016. This session was presided over by Head of the Department Dr. C. P. Pise.

The purpose of session is to create awareness among the students regarding “Applications of Auto-CADD in Civil Engineering” and have brief idea, Importance and applications of various software used in the civil engineering industries.

The session was started with the welcoming and felicitation of software expert and resource persons by Dr.C. P. Pise (Head, Department of Civil Engineering) in Presence Prof. S. V. Uppin (CESA, Faculty Advisor), Prof. G. D. Lakade, Prof. D. S. Jagtap other departmental staff and Mr. Shantanu More (President, CESA) followed by a the a Interaction Session.

Initially, Mr. Satish P. introduced various softwares like STAAD-Pro, Auto-CADD, ANSYS, MSP, YOJANA, ArcGIS etc. to the students. After brief introduction and demo he has discussed importance and applications of Auto-CADD software. Finally, he had active Interaction with the students regarding software and all the students were actively participated and enjoyed the session.

Dr. C. P. Pise briefed that, such sessions are very useful to the students in order to know the basics and importance of softwares in civil engineering which may enhance soft skill of students to become perfect engineer.

The function was concluded with vote of thanks by Prof. Sangamnath V. Uppin ( Faculty Advosor, CESA). The lots of efforts were taken by all CESA committee members and other departmental students to successful accomplishment of this program.
