"Students Council Committee"

❖ Objectives:-

The council is an amalgam of diverse students, bringing to table a unique perspective and opinions on ways to bridge the gap between the administration and the students. Its primary objective is to:

- To be the voice of the students to the administration and vice versa as well.
- The purpose of the student council is to give students an opportunity to develop leadership by organizing and carrying out institute activities and service projects.
- To create an environment where every student can voice out their concern or need.
- To provide a platform where the students can showcase their talent without hesitation.
- The student council is responsible for the fluid and graceful functioning of Student and College organized events.

❖ Roles & Responsibilities of the Student Council:-

- To promote the interests of students among the Institute administration, staff and parents.
- To inform students about any subject that concerns them.
- To identify and help solve problems encountered by students in the Institute.
- To consult students on any issue of importance.
