## Department of Electrical Engineering

### Industrial Visit

#### “HYDRO ELECTRIC POWER PLANT UJANI “

*DATE: 8/09/2018*

On receiving the letter of permission from Hydro Electric power plant Ujani, 65 students with 02 faculty members (Prof. Chandulal G., Prof. A. N. Wadekar) went on an industrial visit to the Hydro Electric power plant Ujani on 8<sup>th</sup> Sept, 2018.

We reached the Hydro Electric power plant Ujani at 10:00 a.m. Person in charge of plant received us at company entrance and gave a brief introduction to plant and dam. The visit came to an end at 2:30p.m. We left the premises at 3:30 p.m. It was an informative, interesting and a successful visit. As students of Electrical Engineering, we learned the working of hydro power plant, Ujani MSEB Sub station.

We express our thanks to the Principal who permitted us to go on the visit, the faculty members who accompanied us and the officials who explained the various departments. Behalf the students I request you to arrange more industrial visit for students which bridge the gap between academics and Industry.
