

Teachers Day Celebration

First Year B. Tech students of SKN Sinhgad College of Engineering Pandharpur students organised Teachers Day celebration program on 5 September 2018. The program was anchored by Ms. Rutuparna who is first year student. All first year students were very enthusiastic and eager to organise the

event. Ms. Jyostna and Mr. Rohan were coordinated the event.

With lightening of lamp and Saraswati Vandana the event started and then Hon. Principal Dr.K.J.Karande addressed the student to follow Dr.Radhakrushnan in life. He

explained the importance of Ethics in the life. Later on Our Department H.O.D.Prof.A.I.Nikam addressed the students and wished them to have bright career and future. He is always guiding to

the students to his level of extent.

Then all faculties of first year department were invited and felicitated as a teacher on occasion of Teachers Day Celebration.

With vote of thanks the celebration come to the end with positive views.
