First Year Engineering Department

Workshop on Computer literacy in First Year Engineering

Date: 18/08/ 2017

One Day Workshop was conducted by First year engineering department. This was really useful for all first year students. As per the need and demand of time, everyone needs to update himself/herself in all the fields and among all computer literacy stood on the top preferential order.

Prof. A. A. Rajguru delivered nice session and provided time for practice session on the topic "Introduction to Computer" Resource person focused on the use of Paint, Microsoft Word.

Prof. S. S. Ingole has continued the same session with Microsoft PowerPoint. Prof.Ingole had briefed that today everywhere use of PowerPoint is demanded to convince the buyers. In corporate world, power point presentations are usual practice.

Workshop was coordinated by Prof. Bagal.
