World Earth Day Celebration

WORLD EARTH DAY has organized on 07th June, 2022. At 03.00 pm for all the Students of SKN Sinhgad College of Engineering, Pandharpur. It could be organized on 22nd April 2022 but because of unavailability of the speaker we have organized on 7th of June, 2022. As The Earth Day is an annual event on April 22 to demonstrate support for environmental protection. First held on April 22, 1970, it now includes a wide range of events coordinated globally by Earth Day.

World Earth Day is celebrated to spread a message to **SAVE EARTH**. On 22nd April, we display all the activities, efforts and achievements in protecting and saving earth. It is celebrated to discuss all the issues and implement ways to save the Earth.

*The theme of World Earth Day-
2022 is*
