Webinar Series 2

Parent's Meet 3

Media 4

ACSES have organized a session on "Successful startup founders" for the academic year 2020-2021 with the full enthusiasm and determination among the new set of student coordinators, student volunteers and faculty coordinator during March 9, 2021. Such kind of sessions are organized every year with the objective to provide information for the students to understand their talent and try to use it for their professions enhancements in future. The Session was very much successful and interactive enough to attract as many as all the students from the CSE department. The two different eminent speakers were there for this session. Both the speakers were founder of their own start ups. For this to be successful all the ACSES coordinators and faculties of department were keenly worked together to work out the session smoothly.

Webinar Series on Data Sciences

The Computer Science and Engineering department had organized a four days webinar series on 'Data Sciences'. The webinar series was started on 8th March 2021. The entire students from C.S.E. department were participated for this webinar series. The outcome of this webinar series was that, all the students of department got understood the concepts of Data Science thoroughly.

The banner features a background image of the SKN Sinhgad College of Engineering building. At the top left is the SPSPM logo, and at the top right is the NAAC 'A' Grade logo. The text is arranged in a structured layout with various colored boxes (red, green, blue, brown) containing information about the event.
