

Experiential learning platform through Internships:

To establish a readiness of students as per industrial need, by providing opportunity to them to work in corporate organisations.

Objective:

- To aware the students for their readiness to serve in corporate organisations.
- To provide more opportunities to students to participate in internship programmes offered by government and private companies through different websites and also from Industry Institute Cell of Institute.

Figure 5.8.1 and table 5.8.1 represents different internships offered by course coordinators.

Table 5.8.1: Number of students benefited through different internships offered

Particulars	CAY (2023- 24)	CAYm1 (2022- 23)	CAYm2 (2021- 22)	CAYm3 (2020- 21)	Relevance to PO and PSO	Assessment	Impact/ Outcome
Number of Industries offered Internship	50	10	54	47	PO1, PO2, PO3, PO5, PO9, PO10, PO12, PSO1, PSO2	Report Writing	Exposure to handle ongoing projects and Modern Tools
Number of Students participated Online	18	46	94	91			
Number of Students participated Offline	69	8	25	64			
Total Number of Students	87	55	119	155
